

Here is a comprehensive list of things that would be useful to the Women's Refuge. It covers items to be used in the refuge and items to help women set up a home when they leave the refuge as many arrive with nothing but the clothes they are wearing.

Items from this list can be taken to any monthly WI meeting and given to Carolyn to pass on.

If you have a larger amount (eg from a house clearance) then we can arrange for you to speak to the refuge staff and have things collected.

If you want to know more about the work of the refuge, volunteer, make a financial donation or find any more information, their website is:
